**Rally for Local 540 strike**

Please be prepared to come out and support the OPSEU Local 540 members next Wednesday, June 20.

These members work in the transitional and social housing for the 'hardest-to-house' homeless people. Well-known transitional housing sites include Street City and Strachan house.

The issues are wages and benefits. Pickets will start by early Wednesday morning. We will have more exact details of where and when on Tuesday. Any support you can lend will be greatly appreciated.

In solidarity
